# MOBILE ELECTRONICS INSTALLATION
## (Virtual)

## Contest Description
This event tests contestant's abilities to perform standard installation practices used by certified, professional mobile electronics installers. These skills have been established through the certification objectives and items created for the Basic MECP certification by the Consumer Electronics Association. This event includes an online examination covering the Basic MECP certification, a professional interview.

## Live Virtual Contest Schedule
Contestants will compete on January 23, 2021 over Zoom. Students should be ready at their scheduled time. The contestant schedule will be emailed to the advisor/contestants by Friday, December 11, 2020. Changes cannot be made to scheduled time slots. Contestants will complete the exam and submit their resumes to SkillsUSA California on January 23, 2021 (details to follow).

## Knowledge Performance
The written test is based on the Mobile Electronics Certified Professional Basic Installation Technician exam produced by the Consumer Electronics Association (CEA). See www.mecp.com.
