## TOTAL PARTICIPATION PLAN or TPP

TPP is the affiliation plan that SkillsUSA California uses for Secondary Chapters (Middle School and High School). This plan aligns with Perkins and CTEIG funding, meaning ALL students in a class section must be registered members of the Chapter to be eligible for use of this funding. Integrating SkillsUSA (CTSO) in the classroom ensures ALL students have access to the benefits of membership.

## BENEFITS OF MEMBERSHIP

There are many benefits to being a member of SkillsUSA. Some of the most popular are...

- Access to Learning Materials such as the Framework, Program of Work, Jump into Stem and the Chapter of Excellence Program
- Access to Career Essentials

- Competitive Events
